Fire Department

Press Release
August 14, 2021

Incident Type: Structure fire.

Address: 2255 Goffs Falls Road

Dispatch: 18:04

Under Control: 18:30

Resources: Engines 3,9,7 R.I.C. Engines 2,8 Trucks 7,1 Rescue 1, Car 1 and ALS 4

Description of Incident: Initial dispatch consisted of Engine 3, Truck 7, Car 1 for an alarm activation. Fire alarm quickly upgraded to a full box alarm for smoke in the building. Initial companies arriving on scene of the 2 story 12-unit apartment building confirmed a working fire. Two 1-3/4" attack lines were advanced to a basement apartment to confine and extinguish the kitchen fire. Multiple crews conducted search and rescue operations, all occupants had been evacuated and accounted for.

Civilian Injuries: None

Emergency Service Injuries: None

Special Circumstances: Heavy smoke condition throughout, 12 units to clear of occupants.

Fire Cause: Combustible material left on stove top, fire is classified as accidental in nature.

Estimated Dollar Loss: \$40,000

Incident Commander: Battalion Chief Ken Proulx
